Accessing eBooks Offline

Download to Computer

Note: Instructions for personal computer

Install Adobe Digital Editions.

1. Download the latest version of [Adobe Digital Editions](#).
2. Create an [Adobe account](#).
3. Click *Help* in the top menu, then chose *Authorize Computer*.
4. Enter your Adobe ID to activate Adobe Digital Editions.

Note: steps 1-4 only need to be done once on your home computer. Adobe Digital Editions is already downloaded on the library computers.

5. Search for your eBook in *eBooks on EBSCOhost*.
6. Select *Download (Offline)*.
7. Log into your My EBSCOhost account. (Create a [My EBSCOhost account](#).)
8. Select *Checkout & Download*.
9. Select *Open with* or *Save File* from the pop-up box.
10. If you open the file, your eBook will open in Adobe Digital Editions.
11. If you save the file, the eBook will save on your computer and can be opened with Adobe Digital Editions later. (If you are on the library computer, you will NOT be able to access the title at a later date)
12. Access your eBook later by opening Adobe Digital Editions on your desktop. No need to revisit *eBooks on EBSCOhost* or have an internet connection!

Citing eBooks & FAQs

How do I cite an eBook?

MLA

Rakover, Sam S. *To Understand A Cat: Methodology And Philosophy*. Amsterdam: John Benjamins Publishing Co, 2007. *eBook Collection (EBSCOhost)*. Web. 16, Oct. 2015.

APA

Rakover, S. S. (2007). *To understand a cat: Methodology and philosophy*. Retrieved from <http://www.ebscohost.com/ebooks>

How many eBooks can I check out?

You can check out up to 5 eBooks at a time, for up to 7 days each. Re-check out your eBook anytime!

What happens to a downloaded book at the end of the checkout period? Does it disappear?

After an eBook checkout has expired, the downloaded eBook file can still be found in Adobe Digital Editions but cannot be opened. You must manually delete the file from Adobe Digital Editions to remove it from your computer. (*Note:* This also applies to Apple or Android devices.)

I returned and/or deleted my eBook from Bluefire Reader and now cannot re-download it.

Bluefire highly recommends backing up your books by saving them on another device/computer in case of unforeseen accidents as Bluefire Reader is not cloud based.
