The screenshot shows the Learning Express Library homepage for Clackamas Community College. At the top, there is a navigation bar with 'Home', 'All Centers', 'Video Guides', and 'Help'. A search bar is located in the top right corner. Below the navigation bar, there is a 'Welcome to LearningExpress Library' message and a video guide link. A carousel of center cards is visible, including 'Career Center', 'High School Equivalency', 'College Prep Center', and 'en español'. At the bottom, there are links for 'View Featured Resources' and 'View Librarian Resources', along with a sign-in section for 'Sign in to your account' with fields for 'Username' and 'Password', and buttons for 'Login', 'Register', and 'Forgot password?'.

For more help, visit the Video Guides tab.

Search the Learning Express Library for a specific center if you know what test or topic you want to explore

Scroll left and right to open a center. Each center has a unique focus and set of materials.

Register to view all content and save tests and scores for up to one year.

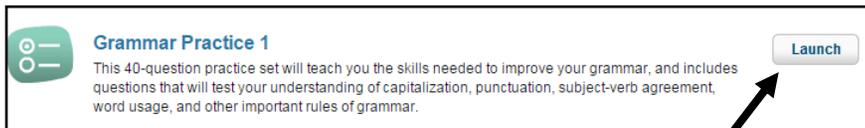

About Centers

Each center has a specific focus with unique tests and tools.

- Adult Learning Center— improve skills in math, reading, and writing. Also, help preparing for U.S. citizenship tests.
- Career Center— prep for career exams, workplace skills and assessment tools.
- College Center— strengthen academic skills, prepare for tests, and prep for the GRE.
- High School Equivalency—GED, HiSET, and TASC test prep tools.
- College Prep Center— SAT, PSAT/NMSQT, ACT, and AP prep and help with admissions essays.
- Spanish Center—Mejore sus niveles académicas y prepárese para el examen de GED
- Popular Software Skills— for both Windows and Mac operating systems

How to take a test

- Find a test you would like to take by reading the description.

Grammar Practice 1
This 40-question practice set will teach you the skills needed to improve your grammar, and includes questions that will test your understanding of capitalization, punctuation, subject-verb agreement, word usage, and other important rules of grammar.

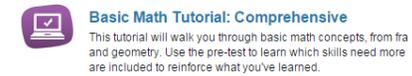

Launch

- Click the “launch” button to start the test. If there is no launch button, you will need to register and log in to take the test
- Read the “How to take this test” page for important details about the test.
- Choose the mode for the test - practice, learner, or simulation.
- If you need to leave before finishing the test, find the “save and finish later button” to have it sent to your portfolio and available for 1 year.
- Note the recommendations for further help!

Explore tutorials

- Learning Express has many tutorials aimed at building skills and test preparation.
- Click the “launch” button to start the test. If there is no launch button, you will need to register and log in.

Course Introduction

Pre-Test

Unit 1: Basic Algebraic Expressions, Equations, and Inequalities

Unit 2: Linear Equations and Their Applications

Unit 3: Linear Inequalities and Their Applications

Unit 4: Polynomials and

- You can navigate by clicking the left and right arrows, or by using the left hand side menu
- There are pre and post tutorial tests to help track your progress, and you can save your work to your My Center portfolio to return to later.

My Center

- My Center is a personalized landing page that stores records of any of the tests or tutorials that you have used. You can view your scores, retake and resume tests, and delete anything you would like
- Once you have completed a test, you may be given a set of recommendations for tutorials to help you improve your score.
